

SCI Magazines

New Mobility

www.newmobility.com

Free with membership of United Spinal. NM magazine stories foster a sense of community and empowers readers. They encourage the integration of active-lifestyle wheelchair users into mainstream society, while simultaneously reflecting the vibrant world of disability-related arts, media, advocacy and philosophy.

pvamag.com/pn

Paraplegic News brings the wheelchair community of pertinent practical news and information.

pvamag.com/sns/

SPORTS 'N SPOKES is a bimonthly publication produced by the Paralyzed Veterans of America that reports on competitive sports and recreation for wheelchair users.

www.ableoutdoors.net

Able Outdoors provides accessible resources, travel, and equipment reviews based on real experiences and feedback from readers. Our mission is to bring the entire accessible outside world into one place, to be an information source for everything outdoors: hunting, fishing, travel and all types of outdoor recreation. We want to connect individuals with the resources that will help them explore their abilities despite any challenges that may exist and to promote the opportunities that are out there waiting to be experienced.

SCI Magazines

Active Living Magazine

www.activelivingmagazine.com

Venture Travel

www.venturetravelmag.com

Venture magazine is your guide to accessible travel, filled with interesting people, exciting destinations, and articles.

Challenge Magazine

www.disabledsportsusa.org/resources/challenge-magazine

Challenge Magazine is a publication of Disabled Sports USA, providing adaptive sports information to adults and children with disabilities, including those who are visually impaired, amputees, spinal cord injured (paraplegic and quadriplegic), and those who have multiple sclerosis, head injury, cerebral palsy, autism and other related intellectual disabilities. From those learning adaptive sports for the first time to disabled athletes on the US Paralympic team, Challenge Magazine encourages anyone with a disability to participate in sports!

DT Network Magazine

www.disabilitytodaynetwork.com

DT Network is a revolutionary new way to bring our community together to Discover New People, Products and Places.

First 90 Days

www.scifirst90days.com

The First 90 Days is a guide to acute SCI. The book, distributed free in print and online, offers a roadmap to people with spinal cord injuries. The book offers details on the complex medical and psychological issues that define SCI.
